---

Senior Director of Marketing with brand management, advertising and consumer promotion experience in consumer packaged goods, foodservice marketing, and advertising agency management. Reporting directly to the Chief Marketing Officer, led the repositioning of large quick-service restaurant chain which drove four years of comp store sales growth and impressive ROI. As Senior Director of Marketing for consumer products company, grew a declining category and expanded small regional brand to #2 national brand in less than two years. Industry experience in bakery products, household products, personal care, luxury resorts, and building products. Experienced with marketing communications, franchisee relations, multi-unit retail and B2B marketing.

- Partnership marketing
- Leading cross-functional teams
- Marketing analysis & planning
- Brand positioning and strategy
- Developing effective sales strategies
- Project management
- New product development
- Multicultural marketing

### **LURCH'S CHICKEN, Atlanta, Georgia**

**2004 – PRESENT**

**Director of Advertising & Promotions** – Reporting to Chief Marketing Officer, direct the development and production of national advertising, promotions, and store-level merchandising for third largest QSR chicken chain with over \$1 billion in sales (1200 U.S. restaurants). Responsible for brand positioning and advertising strategy, national ad-fund budget, broadcast and print production/fulfillment, promotion marketing, interactive marketing, and public relations. Manage four direct reports and four outside marketing agencies including compensation structure and accountability.

- Developed highly competitive brand positioning and advertising/PR/in-store merchandising campaign for new Spicy bone-in chicken that re-energized the system, resulting in the most successful new product launch in the company's history.
- Spearheaded effort to redefine the brand's Value Proposition to more effectively connect to diverse cultural audiences. Developed the company's first consumer-insight driven and fully integrated marketing campaign, which drove four years of comp store sales growth, outpacing the industry. Supported by extensive research, the Value Proposition became the brand frame for next 5 years and includes all marketing touch-points: broadcast, POP, print, promotion, interactive, and in-store branding.
- Created added-value local store marketing promotions that stretched media dollars by 30-40%, and delivered high-quality brand messaging through local on-air personality endorsements.

### **SCHWIN'S BAKERY, INC., Atlanta, Georgia**

**1997 - 2003**

A division of The Schwan Food Company, the largest branded frozen food company in the United States, formed by the merger of Mrs. Smith's Bakeries, Inc. and Edwards Baking Company.

**Senior Director of Marketing** -- Reporting to SVP General Manager, managed the #1 and #2 brands in frozen dessert category, representing over \$300 million in sales. Full P&L responsibility for developing and executing annual marketing plans, strategic planning, budgeting, advertising and consumer promotion, public relations, new product development. Managed six direct reports.

- Developed 5-year strategic plan that defined marketing initiatives necessary to accomplish division goal of doubling the business by 2008.
- Integrated competing brand strategies and initiatives into a unified division marketing strategy designed to achieve 2004 business growth goal of 20%.
- Revamped Edward's brand marketing strategy from whole pies to portion-control desserts, managed expansion from a regional #3 to a strong #2 national brand in 18 months, growing overall category and almost doubling brand sales.

**Brand Manager – Mrs. Smith’s (1997–2000)** - Managed portfolio of brands representing over \$140 million in sales, including Mrs. Smith’s, Pet Ritz, and Banquet. Responsibilities included annual planning, budgeting, forecasting, advertising, packaging, and consumer research, new product development and public relations. Corporate Strategic Planning Team member and Chairman of Communications sub-committee.

- Championed the redesign of the logo and packaging for the entire Mrs. Smith’s dessert line, aggressively updating the image of the brand while retaining brand equity. Significantly improved appetite appeal and resulted in increased levels of trial based on packaging alone.
- In a declining category, successfully developed and launched a line of gourmet desserts, pioneering the introduction of foodservice quality products to the frozen dessert case. Achieved 60% ACV nationally in Year I without slotting allowances and improved overall gross profit position of the Mrs. Smith’s brand.
- Led cross-functional team of 15 in product concept development, testing, and introduction of the company’s first co-branded product line, achieving high levels of retailer acceptance and consumer trial in its first six months.

**STRATEGIC MARKETING CONSULTING, Atlanta, Georgia** **1995-1997**

**Partner** - Formed consulting partnership specializing in marketing, strategic planning, and team-development. Trained and coached an underperforming Strategic Planning Team for Metropolitan Atlanta Rapid Transit Authority (MARTA) hindered by inter-team conflict and competing goals. Resulted in recognition and commendation of the Team’s performance and contributions by the General Manager of the Authority.

**SERVICE PARTNERS, INC. , Atlanta, Georgia** **1990-1995**

**Vice President** - An international consulting and training company specializing in organizational design and team development. Worked with consumer products companies to redesign key work processes and organizational structures. Created marketing materials, repackaged course content and training materials, trained trainers. Redefined sales and marketing roles and responsibilities for major CPG marketer and realigned the organization to reflect a category management structure, solidifying key customer relationships.

**PRIOR EXPERIENCE**
